- Access to health insurance to 58 families.
- Care plan of 14 children working on carpet industry.
- supported RC with amount of NRS 12037.
- 24 children have made birth registration certificate.

Reintegration of 8 children from Brick Industry

CDS has been able to reintegrate 8 child labours working in brick industry in Kathmandu and Lalitpur after the counseling services at Brick Industries.

In order to support the governments master plan (2075-2085) on elimination of child labour, CDS took the initiation and children were reintegrated with their families and community (Sindhuli-3, Makwanpur-1, Ramechhap-2 and Dang-2). In the coordination with Bal Rakshya Abhiyan supported to take the children back to their home. They also organized meeting with school teachers and ward representatives including parents to make them aware to create an environment at the community for the proper care and protection of children so that they can live with dignified life while reintegrating the children.

Similarly, CDS has supported to enroll 487 children at community school who are staying with their parents working in Brick Industries and 230 children in 8 daycare centers in the respective Brick Industry area.

BRICKK PROJECT

Under the brick project, The orientation on health insurance were organized by CDS in coordination with Beema Board to the workers of Brick Industries. As the workers in brick industry have a haphazard life style and to suppress the enormous financial burden for health and care, the orientation was conducted. After that process, access to health insurance to brick workers of Sindhuli District was successfully conducted. Total 58 numbers of family which includes 261 individuals were supported for the access to health insurance. They were really happy to get the service and acknowledged CDS and WVIN for this initiation.

Access To health insurance to Brick Workers.

OSH meeting at Brick Industry

Similarly, 9 events related to occupational safety and health (OSH) program in all 8 brick industries was conducted in coordination with The Ministry of Labour, Employment and Social Security (MOLESS). CDS is taking initiation to support to maintain the standard of working environment as one of the objectives of government is to cover the SDG goal under the "Decent Work And Economic Growth" During the program, the topic of discussion was on the problems and missing facilities which should be provided by the owners in the Brick Industries. As the problems were identified, owners of all the brick industries has shown the commitment to solve all the problems by providing the facilities like easy access to water with proper sanitation around the surroundings and also by providing the gloves.

SAKRIYA PROJECT

Regarding Sakriya project, Child Development Society had organized 2 days orientation programme on Social and Behavioral Change Communication (SBCC) supported by World Education Inc. Antenna Foundation was the Mentoring partner for the 2 days orientation program on SBCC. In the event Treasurer of CDS Mrs. Sunita Khanal formally inaugurated the program by giving the welcome speech followed by ED Mr. Krishna Prasad Subedi speech on the introduction of CDS and Sakriya project. Introduction program was done formally and Antena Foundation Nepal (AFN) Team (Mr. Arun Rai) started the orientation on SBCC.

During the Program AFN Team has oriented about the Socio-Ecological Model of SBCC, Communication Strategy, Problem Identification through problem tree analysis, group discussion etc. All the participants in the programme were energetically involved in given group work, presenting the group work and expressing their opinions, views which was effective and two-way communication was seen. Children and Social Welfare Officer and participants were thankful to CDS for organizing such Programme and expressed that 2 days programme on SBCC was fruitful to them.

With a coordination with Suryabinayak Municipality and Changuarayan Municipality, a care-plan for 14 children working in the carpet industry of Suryabinayak Municipality and Changuarayan Municipality was developed and sent to tdh for required action and technical support including emergency support, if needed.

Active participation in the orientation program of social and behavioral change communication program.

CDS has also organized an event for the Distribution of Food Items and Stationery materials to 11 children working in carpet industries in Suryabinayak Municipality on 19 March 2021 . These items were distributed by the Deputy Mayor of Suryabinayak Municipality and chairperson of CDS. During the programme Deputy Mayor Mrs. Juna Basnet has also share the initiatives that have been running by the municipality for the welfare of children and their education. She has also motivated the children for using all the facilities that has been given by the every government school like menstrual pad etc.

Furthermore, CDS team went to Bhubaneshwar school in Bhaktapur to provide support for remaining three infants.

SPONSORSHIP PROGRAM

Two days orientation on WVINs sponsorship approach, child sponsorship standards, child monitoring and integration framework.

Two sponsorship orientations provided to Registered Child (RC) and Non Registered Child families at project areas within this month. One event was conducted at Kirtipur Municipality while one was at ward 16, of Kathmandu Metropolitan City. The objectives of the event were to make all the participants to understand about sponsorship program and its effective implementation by mobilizing local community people.

Similarly, eleven orientation events on Child Monitoring System (CMS) was planned for this month. Among them, four orientations on CMS has been conducted at Kirtipur Municipality. This orientation has supported to enhance the capacity of CBOs, community members and staff for effective monitoring of children (including RCs). Due to hectic schedule of CPC members at ward 16, Kathmandu, orientation could not be conducted this month.

With the objectives to share/discuss/brainstorm about the protection and community engagement sponsorship program, a review meeting was held on 18 & 19 March 2021 at Kirtipur. Action plan prepared in the review meeting under each indicator of project for reaching to next continuum with regard to child well-being.

Through the social protection schemes, 11 children have received the birth registration Certificate during this month. Till date, 24 children have made birth registration certificate. CDS has supported their travel expenses cost.

Community Engagement and Sponsorship Project(CESP) has also supported one RC with amount of NRS 12,037 for medical purpose who had a skin related health issues this time. She is under medication at the meantime.
