Rescue of two children from Brick Industry

Major Achievements

- Two child labours rescued from brick industry
- Monitoring visit at day care
- Distribution of *Sarbottam Pittho* (super flour) for children below 2 years
- Supported 70,000 NRS to a registered Child (RC)
- Day Care Center resumed at CDS, Kapan.

CDS has been able to reintegrate two child labours working in brick industry from Chandragiri, in coordination with Ward No. 14, Chandragiri Municipality, Metropolitan Police Station of Chandragiri and Bal Rakshhya Aviyan.

These children were brought here to take care of their sisters infant child. They also used to make bricks in their free time which is against the law "Act relating to Children, 2075". After the rescue, children are re-joining in family at Sindhuli district. In addition, around 200 children of brick workers are glad to get enrolled to nearby community schools with educational support from the project.

BRICKK PROJECT

Under the brick project, a joint monitoring visit at day care center of Brick Industries was conducted on February. As per observed and interactive sessions by monitoring team lead by Deputy Mayor including senior officials of Chandragiri Municipality and representatives from WVIN and CDS during visit to Balkumari Brick Industry at Ward No. 14 and Om Himalayan Brick Industry at Ward No. 3. They thanked CDS and Brick Industry owner for building a structure for day care centers in the premises of the industries. The monitoring team observed that the management of both day care centers was good and found out that beneficiaries (children and parents) are happy with project intervention. The main objectives of the day care center is to support in child wellbeing.

Mother and child after the distribution of super flour

411 children continued their formal education at 22 different schools with the school support provided by CDS. Similarly, 99 families working in Brick Industries has linked in financial institutions for opening the saving accounts in the month of February. Till date, 241 saving accounts has been opened in various financial institutions in Lalitpur and Chandragiri.

CDS has organized 8 career counselling programs targeting to youths working in Brick Industries to join in Vocational Training for their better livelihood. These initiatives have brought motivation and made transpicuous in choosing on-farm and off-farm livelihood options.

CDS in coordination with Social Welfare Division of Lalitpur Metropolitan City has successfully managed the monitoring visit and distribution of 3,300 packets of super flour food to 165 children below 2 years of brick workers.

SAKRIYA PROJECT

Meeting with Gokarneshwor Municipality Kathmandu for the formation of LCRC & WCRC
In order to enhance the capacity of CDS for the elimination of child labour, World Education Inc organized the 5 days workshop to its partnered NGOs. Four staffs of the Sakriya Project participated in the training on assessment of the organization. This workshop is designed to improve policy and guidelines protocols to provide support for the elimination of child labor.

CDS has coordinated with the respective municipalities: Chagunarayan, Bhaktapur and Gokarneshwor Municipality, Kathmandu for the formation/reformation of LLCRC (Local Level Child Rights Committee) WLCRC (Ward Level Child Rights Committee) in the project areas under the Sakriya Project. Whereas, it is in the process of formation of LLCR and WLCRC in the Suryabinayak Municipality.

SPONSORSHIP PROGRAM

Participants of 5 days training on Case Management

CDS has facilitated to reform two child clubs at Tarun Secondary School i.e. at Ward No 16, Balaju, Kathmandu Metropolitan City and Adhinath Secondary School at Ward No 6, Kirtipur Municipality. The newly formed child clubs consist of 9 members and 13 members at Tarun Secondary School and Adhinath Secondary School respectively. CDS has provided 5 day capacity building training on Child Protection (CP), Case Management including referral system to the member of LLCPC and WLCPC including local dignitaries and members of child club and stakeholders of Kirtipur and Ward No 16, Kathmandu. The knowledge gained by trainees from the training will be transformed

practically at the local level for the welfare of the children. This training would be helpful for them to the revision of policies and guidelines with respect to Child Protection at Ward and Municipal level. This training further enhance the capacity in terms of child protection to the officials working at Ward and Municipalities. In parallel, Mr. Sharad Sharma "Advisor of CDS Executive Board" has handed Nrs 70,000/- to the father of Registered Child under the Sponsorship Project for the child's treatment for the surgery of the brain tumor.
