

CHILD DEVELOPMENT SOCIETY बाल विकास समाज

Reintegration of 8 children from Brick Industry

Major Achievements

- 13 years old child rescued from brick industry.
- 25 registered children got their birth registration certificate.
- Organized Street Drama to aware about COVID.
- Distribution of food and bedding sets to children of carpet industries in Gokarneshwor Municipality.
- Vitamin A supplementation program to the children aged 6 to 59 months in Brick Industries.

CDS has been able to rescue a 13 year old child working in Shree No 1 Brick Industry in Lalitpur after the counseling services at Brick Industries.

The girl has been sent to a shelter home for now due to the second wave of corona virus pandemic. After the situation gets normal according to her decision, she might get back to her family or she might also continue her stay at shelter home and start her schooling.

In order to support the governments master plan (2075-2085) on elimination of child labour, CDS has been working in the coordination with Bal Rakshya Abhiyan to take the children back to their home. They also organized meeting with school teachers and ward representatives including parents to make them aware to create an environment at the community for the proper care and protection of children so that they can live with dignified life while reintegrating the children.

Street drama to aware about the COVID at Brick Industry

BRICKK PROJECT

Under the brick project, to aware the workers of Brick Industry in various relatable issues in their day to day life street drama was conducted. It was conducted in 8 Brick Industries from Chandragiri, Kathmandu and Bungamati, Lalitpur.

The street drama was focused on giving the awareness about the preventive measures services provided by the Government of Nepal, and all the safety measures which should be applied to prevent the COVID-19. It also showed the glimpse on the importance of documentation and social protection which developed the environment of revision to the workers as they were given various orientation on these topics by CDS.

Training to Child protection committee of LMC

Similarly, Lalitpur Metropolitan City organized two days training to child protection committee coordinator of Lalitpur Metropolitan city (LMC) concentrating on child rights, role and responsibility of child protection committee as well as case management system. Urban Environment Management Society (UEMS), Child Workers in Nepal (CWIN), YUWALAYA, CDS and Voice of Children (VOC) supported financial resources to make this program successful.

Child Protection Committee members subsequently formed the child club in their respective wards and as well as function to child club. Also after the training Child Fund and guideline of Child right committee will be endorse from LMC and it is giving high priority to endorse to those guideline.

Monitoring and evaluation in Brick Industry

Likewise, World Vision International Nepal conducted the review and planning meeting with core team member of both partner organizations Good Neighbors Nepal (GNN) and Child Development Society (CDS) on 8th April. The main objectives of this meeting was to reflect back, escalate all the good learnings and plan forward for more efficient work delivery ensuring high quality and standard. The maximum number of the participants were 20 only following the safety protocol and guideline due to second wave of COVID.

SAKRIYA PROJECT

Regarding Sakriya project, Child development society organized a food and bedding sets distribution program. It was distributed to the children working in the carpet industry in Gokarneshwor municipality. In the same way, Sakriya Team Participated in three days of case management training organized by our technical partner Terre des hommes (TDH) from 7-9 April 2021. Our team also participated in the Social Behavior Communication Change (SBCC) workshop organized by Antenna foundation Nepal (AFN) for five days from 17 -22 Apr 2021 in Pokhara.
